

To: **All 11th Grade Students**  
 From: **Montrose High School, James Pavlich**  
 RE: **CMAS SCIENCE Testing**  
 Date: **April 1, 2019**

All Juniors will be taking the state mandated CMAS Science test in April. Students will be testing for ½ a day.

The test will be proctored by science teachers primarily; students will be using computers (not iPads) in the library. Cell phones and electronic devices such as Apple Watches are not allowed in the testing area. Attendance and participation are important to our school, district, and community. If you are unable to attend your assigned testing session, please see Mrs. Patty Edstrom in the attendance office to switch sessions. Pencils, scratch paper, etc., will be provided. You are allowed to bring water and a healthy snack, if you wish.

**11th Grade: Science Testing Schedule: Mornings**

- Session 1: 8:30-9:20 (50 Minutes)
- Session 2: 9:20-10:10 (50 Minutes)
  - ◆ Break 10 Minutes (you may bring a snack)
- Session 3: 10:20-11:10 (50 Minutes)

**Release to lunch after checking in materials.**
